PERSPECTIVE PLAN (2016-2025)

Introduction: -

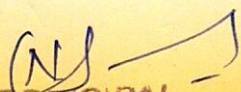

After the visit of NAAC peer team in academic year 2015-16, the college prepared the Perspective plan considering the following aspects in tune with the vision and mission of the college.

- **GOALS**
Higher education for student from rural, hilly and economically backward area.
- **MISSION**
 - * To promote higher education for the students in rural, Hilly area and particularly for female students.
 - * To generate a sense of self respect, equality and self development among them.
- * **OBJECTIVE**
 - * To aim at character building and personality development of the students through Curricular and extra curricular activities.
 - * To create the work culture and dignity of labour among the students through N. S. S., N. C. C. and other extra curricular activities.
 - * To prepare students for competitive examinations.

Education plays very important role in the development of nation. Higher education is developing very fast in basic as well as professional areas. Higher education is a matter of concern even today. So as to educate students from socio-economically deprived classes of Konkan region, our institute envisages the academic programmes by considering need of the society.

Phondaghat Education Society's, Arts and Commerce College, Phondaghat, Dist- Sindhudurg established in 1995. Since inception, it has been working with a vision providing quality higher education to rural students, empowering them to cope up with the competitive world. It is one of the leading & heritage educational institutions and grant-in-aid college (Government of Maharashtra) affiliated to University of Mumbai. In the last two decades our institute has not only grown in strength & size but also in levels of excellence. While preparing the perspective plan thought is given to enhancement of academic programmes, Infrastructure, ICT-infrastructure, NCC, NSS programmes, etc.

"To provide access to higher education for students in rural and hilly areas at affordable cost"
"To enable students to develop as intellectually alive and socially responsible citizens ever ready for continuous personal and professional growth and to inculcate social, moral and spiritual values among them"
