### About Library

Arts and Commerce College established 11 September 1995. At that time library has started. Library is well-equipped with a variety of books. Presently the library has more than 10000 text books, reference books and other books in general, more than 1700 Text books under the Book Bank Scheme, 18 periodicals on various subjects, 08 daily newspapers of state and national level in Marathi, Hindi and English etc.

The Library is partially automated with ILMS software with Library Manager Version: 2.0.0 which provides user-friendly Online Public Access Catalog (OPAC) for simple and advanced search. Electronic Resource Management package for e-journals is available through INFLIBNET N-LIST. The average expenditure per year on books and journals is INR 1 lakh. Per day usage of library by teachers and students is 18%. The library has many healthy practices like Book Bank Scheme, Reading section, wallpaper publications and New arrival, book exhibitions on special occasions, Best Reader Activity, Gold Card Scheme etc.

### Library Software- Library Management System

Library software use in the library by Biyani Technologies Library Management System. Library Management Software is more than just another latest technology solution it is a system that will improve the way college libraries are managed. It is a Multi User system. Operational on Internet. The implementation of our flagship product Library Management System will help the institute to manage day to day activities more efficiently, promptly and in less time which will lead to saving in manpower, time and help transform our library into an ideal library in the area.

A unique state of Art Library Management software is developed which will help Librarian to keep complete track of books, Periodicals, Journals, Book Bank Scheme etc. Software is capable of maintaining multiple registers like text, reference, others etc.

**1). User Awareness Program:** The library takes an active part in the orientation programme organized by the institute for the benefit of new students in the beginning of academic year. They are taken around the library to familiarize them with various resources and services available for them. Any user desiring to know more about library resources and service or to learn how to use a particular resource should contact Librarian or Library staff.

## 2) Gold Card Scheme

An innovative Gold card scheme has been implemented by the college for the student. The students who achieves the special achievement in co-curricular activities and who achieves first and second rank in FY SY exam are awarded with a Gold Card. The student is facilitated with extra books in the library. They are benefited with extra study materials, and have an easy access in the college Library. This facility helps them to save their time and energy. The beneficial part for the college as well as for the students is that a competitive environment is created among students and in college. With the experience of this scheme it may be extended further for the other student in future.
